STATEMENT OF FACTS:

AIR FORCE EVALUATION:

The Chief, Skills Management Branch, AFPC/DPPAE, reviewed this application and indicated that HOR is defined as the place recorded as the home of the individual when commissioned, enlisted, or ordered into the relevant tour of active duty. It is recorded in the military personnel record for the sole purpose of determining transportation entitlements upon separation, or those of dependents in the event of a member's death while on active duty. While legal addresses may change from time to time

during a member's career, HOR remains constant. HOR can be changed only if there has been a break in service of one full day or a bona fide error was made in recording information given by member. The HOR must be the actual home of the member upon entering the service, and not a different place selected for the member's convenience. As information, upon retirement, travel and transportation entitlements are to home of selection, not HOR. DPPAE recommends denial of applicant's request.

A complete copy of the Air Force evaluation is attached at Exhibit B.

**APPLICANT'S REVIEW OF AIR FORCE EVALUATION:**

A copy of the Air Force evaluation was forwarded to applicant on 20 Jun 98 for review and response. As of this date, no response has been received by this office.

---

**THE BOARD CONCLUDES THAT:**

1. The applicant has exhausted all remedies provided by existing law or regulations.
2. The application was timely filed.
3. Sufficient relevant evidence has been presented to demonstrate the existence of probable error or injustice. It appears that applicant's HOR was annexed by a neighboring town and its name was changed; therefore, she wishes that her records reflect this change. In view of the foregoing, we recommend her records be corrected as indicated below.

---

**THE BOARD RECOMMENDS THAT:**

The pertinent military records of the Department of the Air Force relating to APPLICANT, be corrected to show that her HOR at the time of her entry into active military service on 7 Apr 93 was 5013 Overton Circle, The Colony, Texas 75056.

SUBJECT: Application for Correction of Record - [REDACTED]

The applicant requests her Home of Record (HOR) be changed from [REDACTED] to [REDACTED]. She bases her request on the fact that her mother has relocated within the past two years. Applicant filed a timely request within three years of discovering the alleged injustice.

HOR is defined as the place recorded as the home of the individual when commissioned, enlisted, or ordered into the relevant tour of active duty. It is recorded in the military personnel record for the sole purpose of determining transportation entitlements upon separation, or those of dependents in the event of a member's death while on active duty. While legal addresses may change from time to time during a member's career, HOR remains constant. HOR can be changed only if there has been a break in service of one full day or a bona fide error was made in recording information given by member. The HOR must be the actual home of the member upon entering the service, and not a different place selected for the member's convenience. As information, upon retirement, travel and transportation entitlements are to Home of Selection, not HOR.

Applicant does not provide documentation to support changing HOR. We recommend denial of request.
